I can't wait to see it. This is very exciting. Knew it was coming. Yes, use the model of the AW memo to ORD on PFAS.

Memo on animal alternatives—draft needed by next week to AAW.
I've asked Kaitlin to flesh something out today.

Directed to AA's from AAW

My thoughts (open to other suggestions):

Deliberative Process / Ex. 5

Other thoughts? I don't think it needs to be more than a page.
Draft by COB today.

Thanks!
